CLASSIFICATION OF DOCUMENT

Memorandum to Brig. Gen. Edwin L. Sibert, through Executive to the
 Director, from Donald H. Galloway, Acting Assistant Director, Special
 Operations; 2 pp.

KEY NOTATION REFERENCES

The memorandum concerns the security of the Office of Special
 Operations. It mentions a survey in process from which recommendations
 concerning security will be made. Various motives for leakage have been
 taken into consideration. Stringent personnel requirements and investi-
 gations will best combat leakage to foreign agents, and frame-up
 possibilities by press and federal agencies. The FBI conducts personnel
 investigations and the Security Division of SO is constantly alert for
 disaffections. OSO already employs former FBI personnel to supervise its
 physical security and it is therefore regarded as unnecessary to hire
 FBI for that purpose.
